MESSAGE SENT FROM EXTERNAL SOURCE

Emma and Camilo,

Please see the attached notice forwarded on by Brian. If you could please follow-up on and advise when this has been brought back into compliance and that there will not be any actions on the part of the lender due to this default that we would need to note as a subsequent event (preferably in writing directly or forwarded on from NYCEEC.

Thank you,  
CliftonLarsonAllen

Think Security! This email originated from an external source.  
Andrew,

This is a notice that I received from NYCEEC.

Regards,  
Brian
